

Master in: SOCIOLOGY

Speciality: Sociology of Crime and Delinquency

Summary :

Training for the Master degree lasts for four semesters. Students during this period are provided with relevant contents that focus on social structural factors thought to have an effect on criminal behaviors. Training programs also aimed to help students boost their skills and abilities in the field of crime and delinquency and make them well prepared for their future career. Besides, a thesis is submitted in partial fulfillment of the requirements of the degree of Master by the end of the last semester.

Field	Branch	Speciality
Social Sciences	Sociology	Sociology of Crime and Delinquency

1-FirstSemester:

Learning units	Evaluation type		stoks	Coefficient	Timings Weekly				Timings semester
	exam	continuous			OtherActs	Practicalwork	Actsdirected	lecture	week 16-14
